All measurements are approximate. Individual unit dimensions may vary from unit to unit or building to building, due to variations in construction and other site specific circumstances. Any statement, or depiction of, or reference to, the square footage of a unit on any floorplans, brochures or other sales material, refers to the square footage of the unit measured to the exterior surface of the perimeter wall of the building and the center of any demising walls separating the unit from another unit or from any common corridors or hallways or other parts of the common areas of the project, and does not constitute any representation of the square footage within the interior unfinished surfaces of the perimeter walls of the unit.
